

Serving the Chemical needs of Industry for 80 Years

Page 1 of 1

ICI provides a wide selection of industrial chemicals that are immediately available at competitive prices and in the quantities and packaging that suit your needs, including bulk tanker, tote and drum.

Services include repackaging, storage, custom blending, contract storage and packaging, and chemical logistical support.

We are headquartered in Richmond, Virginia and offer services for most items nationally. Our people are ready to serve you personally for all your chemical needs and services.

We invite you to contact us today via phone, fax and email.
